The Harry Morley Skin Clinic,
The Old Stables, Stansted Park,
Rowlands Castle.
PO9 6DX
Tel: 07952 252829

DIRECTIONS

Tepau Laser is based at the Harry Morley Skin Clinic and is best approached from Emsworth Common Road / Broad Walk, heading towards the Stansted Park main entrance for Tea Room & Garden Centre. Do not use this entrance.

Instead of turning into the main entrance, drive past heading towards the North entrance, private road (approximately 800m).

You will then see the North entrance sign and gate house. Turn right into the North entrance.

DIRECTIONS

Once through the gates continue until the road branches to the left where you will see a car park on the left. Please park here.

Once parked walk back towards the road, turn right and then follow the footpath to Stansted House and Estate Office.

DIRECTIONS

At the bottom of the footpath on the left are the Old Stables and entrance. Tepau Laser is the first door once through the main entrance. If the door is shut please walk along the corridor to the waiting lounge. The clinic is a quiet space due to other relaxation treatments taking place. Due to Health & Safety reasons children are not able to accompany parents to appointments.

Please click the links below for further directions if required.
